How our delivery works

Simply browse our web shop and add your items to the cart, then select 'isolation rescue' as your shipping option. We will be delivering twice a week (Tuesday & Friday). We ask that you get your order in by 10am the previous day, otherwise it will be moved to the following delivery day. The delivery is free but we do ask for a min spend of £7.50.

Unfortunately, we can't offer time slots, but we will start deliveries at 8am and will assume you're in all day. To be extra safe, we'll ring your door bell, place your order on the doorstep, keep a safe distance from your door and wait for you to accept your goods.
